

Arizona Free File

The Arizona Department of Revenue (DOR) announces opportunities for taxpayers to file their Arizona Individual Income Tax returns electronically at no cost.

DOR and cooperating software developers have formed the Arizona Free File Alliance (AFFA) to provide free online tax return preparation and electronic filing (e-file) services for qualified Arizona taxpayers. Membership in AFFA is open to all tax software developers, and each member sets the free filing eligibility requirements for its products.

Currently, there are six members: Intuit Tax Freedom Program, CompleteTax, FileYourTaxes.com, TaxAct, taxeng!ne, and TaxSlayer. Through the cooperation of these software vendors, more than 50% of Arizona filers qualify for free filing.
